To Billy:

We miss our friend, Billy, each and every day,
Because he touched our lives in a special way.

He was a great friend to all he knew,
His bright smile helped to see us through.

There was fun and laughter when Billy was around,
A greater kid could never be found.

An outstanding athlete, he played with honor and pride.
Billy led his teammates, and was by their side.

Determination, skill and courage were part of his game,
Without Billy things just aren't the same.

It's hard to find answers to why he's not here,
Our hearts are broken, we've shed many tears.

We'll never forget you, Billy, the gifts you gave will stay,
As your star shines brightly to light our way.

Dedication

The 1989 Edition of Country Roads is dedicated to, in memorium:

Miss Judith M. Blake

1938 - 1988
29 years service

Fear no more the heat o'th' sun,
Nor the furious winter's rages,
Thou thy worldly task hath done,
Home art gone, and ta'en thy wages
Golden lads and girls all must,
As chimney-sweepers, come to dust.

Fear no more the lightning flash
Nor th'all-dreaded thunder-stone
Fear nor slander, censure rash.
Thou hast finished joy and moan.
All lovers young, all lovers must
Consign to thee and come to dust

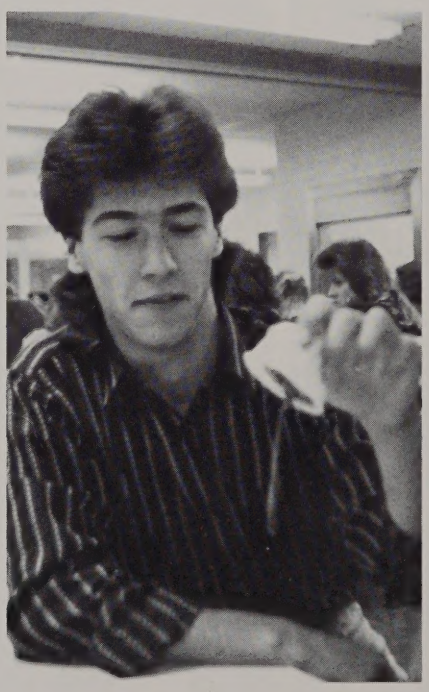
ACTIVITIES

Yearbook!!!

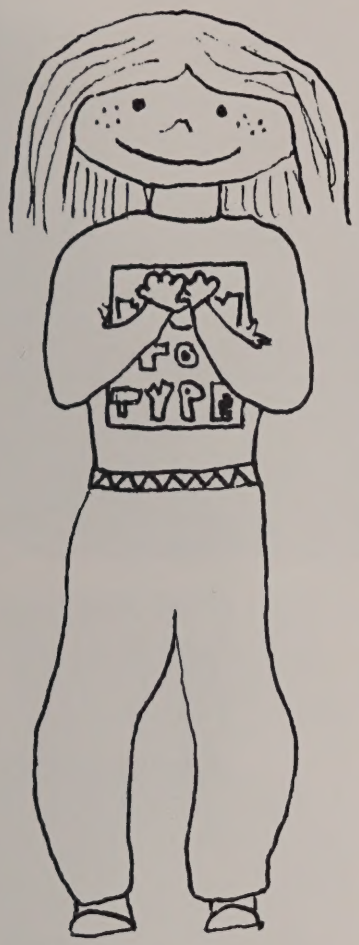
Photo Staff

Our photo staff this year consisted of Chris Horne, Eric Spencer and Ron Barnes. Here they are posing on the hill doing a (Staff?) picture. Actually they are probably just taking the period off lying in the warm autumn sun like any smart Senior would do.



Eric Spencer, Photo Editor Extraordinaire, checking out dessert in the cafeteria . . . is it real or is it wallpaper paste??

Copy Staff



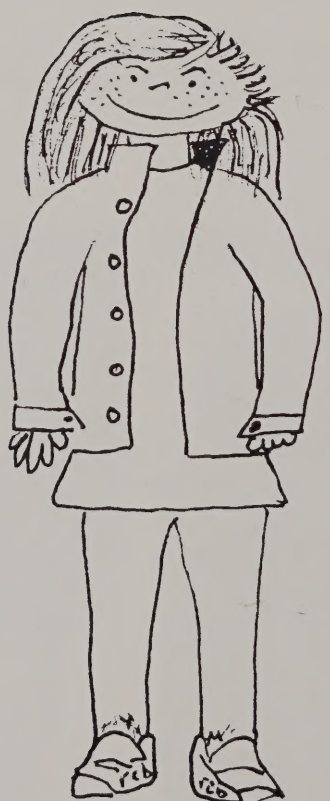
This is Karen Guy, Copy Editor. (Great picture, huh?). Our copy staff this year was quite small, consisting of only herself and one other person, Suzanne Pouliot. (Zan to those who know the story). These two are responsible for most of the typed word in this book. Great job guys!!! It was a long hard haul, huh?

Here's Zan hard at work typing the written word. How many words was that per minute, Zan?

Layout Staff

Special Thanks to: Lynette Grovestreen, Scott Trahan, Kristie Miller, and Micle Butler.

Donna Dufault, layout editor and the distinguished other who knows where people are coming from. This year she dealt with problems such as no staff, no pictures and the usual problem of not owning a ball point pen. All these problems have been solved except for the pen part but we're working on it! Great Job!

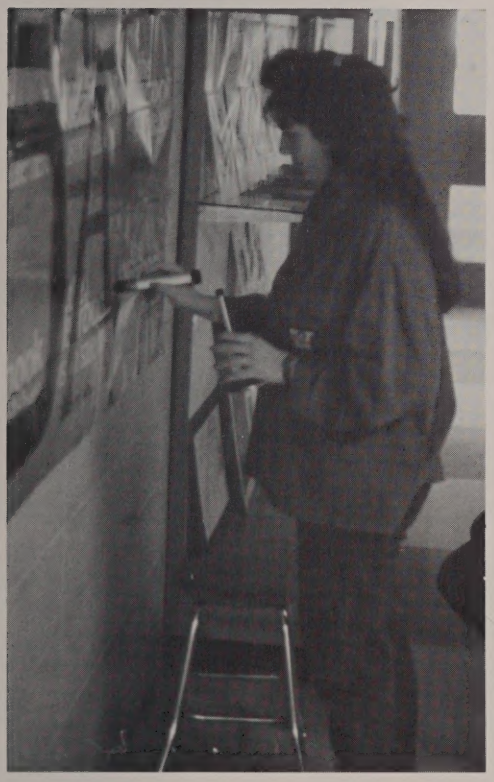


Kristie Gadoury- a distinguished layout staff member. (meaning she was one of the few) Thanks for all the help and saneness you added to this book.

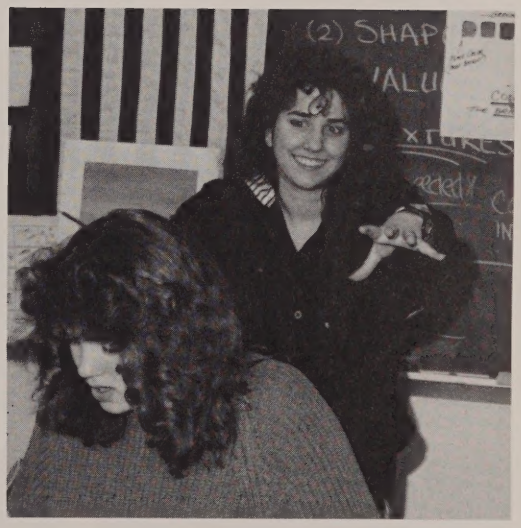
Jeanne Renaud-all around run around person. She helped do everything and deal with some adolescent problems and not so adolescent problems at the same time for this we wish her luck!

Advisor and Editor

Here we have Mr. Furtado, the book advisor, busy at work - working on memorizing every face in the Sophomore class.



This is Kris Pennella, the editor, being here usual creative "graffiti artist" self.



Always unusual but not usually possesed, Kris' other side slips out during a session one afternoon.

Ladies, Gentlemen and distinguished others,

This page is mine and no one else on this staff is responsible for any of its contents.

This was quite a year for the yearbook staff that almost wasn't. It really was along and hard haul to finish this book. Any one who worked on the book very well knows that fact. At the end of the year, last year, there were a number of people interested in working on the book this year. Well, looking around at the staff at this point, I think everyone melted away in the summer sun.

On top of having no staff to speak of, what else could happen except that Mr. Furtado decided he did not want to be advisor, but, with a little convincing, some bribe money, and some begging he came around during mid-October, (not that we were not doing a great job on our own - but we definately appreciate his help in keeping us from being sued or something to that extent). Thank you for all your help!!!

As for myself, this year I have never torn out so much of my hair over one project, but it was worth it (I think).

This year was a real challenge for myself as far as trying to be accepted into an art school, which takes up most of my time, and finishing this book. There are a couple people who I owe special thanks to.

To Mr. Schubert, who has helped me so much during the past two years- to him if it is possible, I would give him the Golden Paintbrush Award. See you in the Met., Mr. S.!!!

The second is Mr. Taylor who has put up with me and always was there to here my ideas. Mr. Taylor receives the Golden Shovel Award - and anyone who has ever had him in class knows why. Good luck with becoming "the" Shakespearen actor!

This year has also been the year where some things have become obnoxiously apparent. But to mention it in this neutral book would be unheard of. This was something I noticed and was not mentioned to me by any faculty, administration or other school member.

Well this is the last page of the book to be completed and I'm sick of typing.

Oh, by the way, if you don't like anything mentioned on this page, too bad, because I didn't see you here helping my wonderful staff, whom I wish the best of luck to for next year, complete this book. Thanks guys, I'm going to miss you all alot!!

Kris,
the Editor

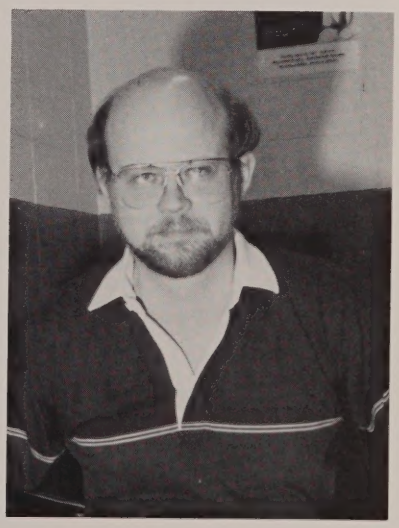
This year, the Shepherd Hill Band split into three sections during the off season. One of these groups is the winter percussion. The members are: M. Berrers, M. Coombs, K. Lucas, C. Lebeouf, C. Delage, A. Gauthier, C. Bussiere, C. Starczewski, J. Hanson, W. Lavigne, J. Dugan, W. Boscoe, J. Johnson, M. Gagner.



The man behind the band: Mr. Greg Stewart

The 1988-1989 season was very successful. Under the direction of drum major, Hadley Zabinski, and directors, Greg Stewart, Betsy Brogna and Patrick Mahoney, the band consistently took medals. In March, the band was in the Worcester and Lawrence St. Patrick's Day Parades. The won first place in both parades.

In April, the band traveled to Virginia. In the Firefighter's Parade they received 2nd place in their division, 2nd place overall in auxillary, and received the President's Award for a second place overall rating. The following day, they were in the Grand Feature Parade, featuring 61 bands. Here they finished 1st in their division. On the following night, they participated in a field show competition with 14 other bands. Here they placed 2nd overall, 3rd in drum major, received the Sweepstakes Award, and earned a superior rating.

During the spring, they participated in: the Palmer Say No To Drugs Parade, the Sturbridge 250th Anniversary Parade, the spring concert, Woonsocket, R.I., and Flag Day and Memorial Day Parades.

They attended a 4 day band camp to rehearse the field show, which was performed at the football games.

They participated in Massachusetts Instrumental Conductors Association and New England Scholastic Band Association field shows. They won: in Norwood-silver, in Somerset and Randolph-silvers, at Shepherd Hill-gold, in South Hadley-gold, in Triton-2nd place, at the MICA finals-gold, and at the NESBA finals-a bronze.

Besides that, they also won 1st place in a Medway parade, and 1st place in a Worcester parade.

In November, the band was in the Quincy Parade Competition. Here they were awarded New England Parade Champions and Massachusetts State Champions. They also placed first in their division and first place overall. This ranking gave them an invitation to participate in the 1990 Cotton Bowl.

The Shepherd Hill Ski Club took in six night trips to Mr. Wachusett. Miss Hebert, advisor, and chaperones Miss Jenson, Miss Neiman, Mr. Deary, and Mr. Furtado enjoyed the chance to share their common interest in skiing with the club.

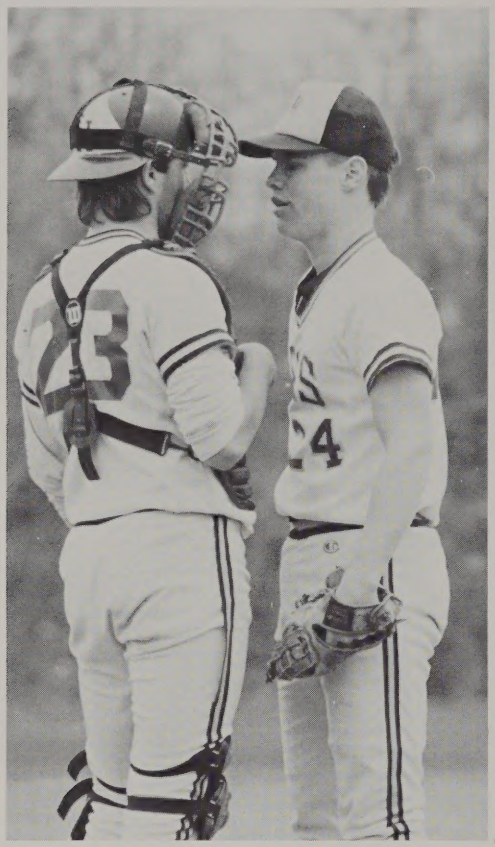
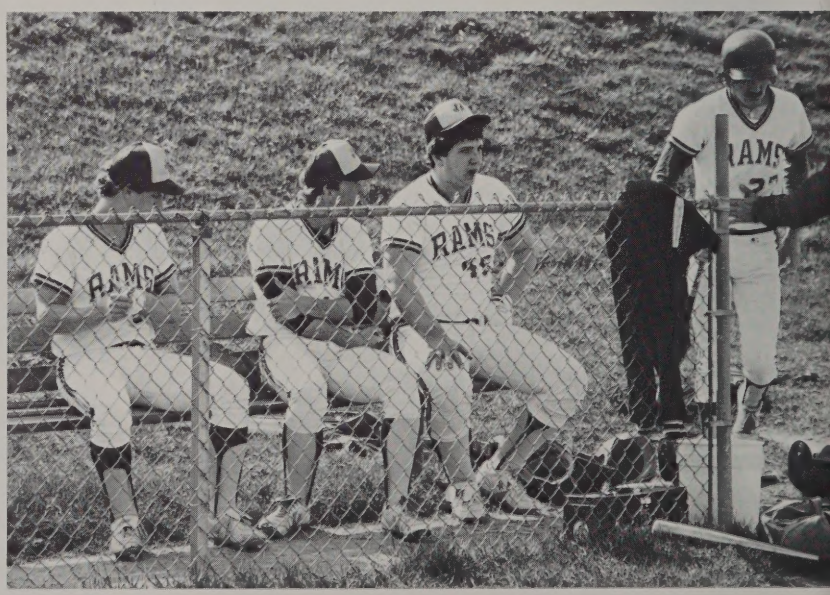
ATHLETICS

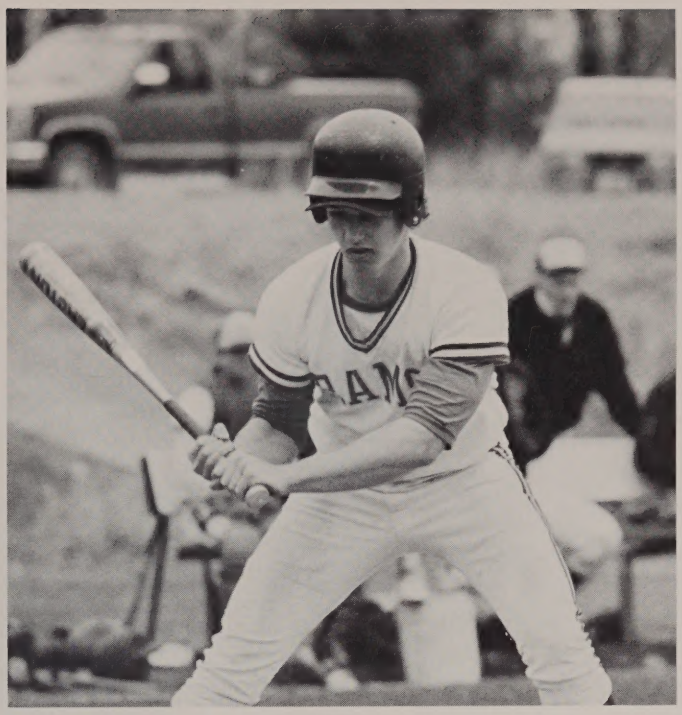
Varsity Softball

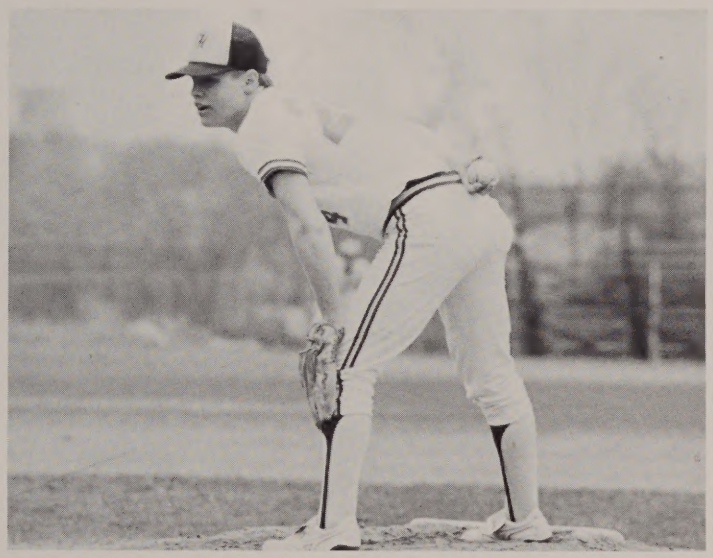
The 1988 varsity softball team compiled a very fine 13-5 season. They finished second in the Border Conference with an excellent 9-3 record. The team qualified for district play after a two year absence. The girls lost a hard fought 10-7 game to Fitchburg in the opening round. Three Rams were selected as Border Conference All-Stars. They were: Karen Jarzabski, Lori-Ann Bird, and Jodi Peck. Both of last season's pitchers were sophomores, Lisa Piniarski and Shelley Hultgren. With several veteran starters returning, 1989 should be another successful season.

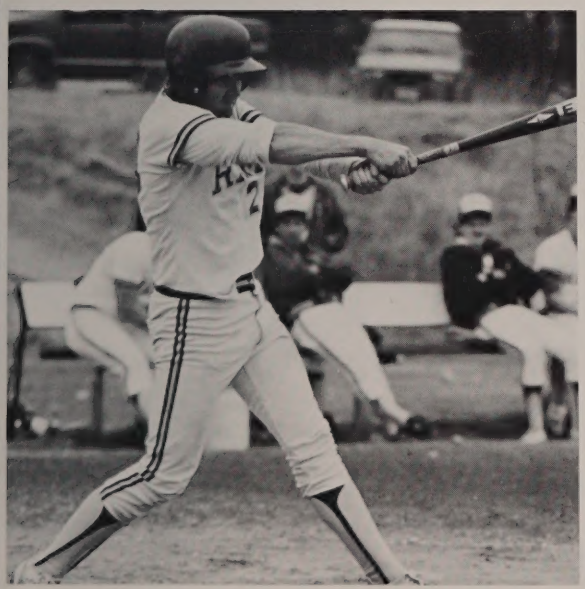
Varsity Baseball







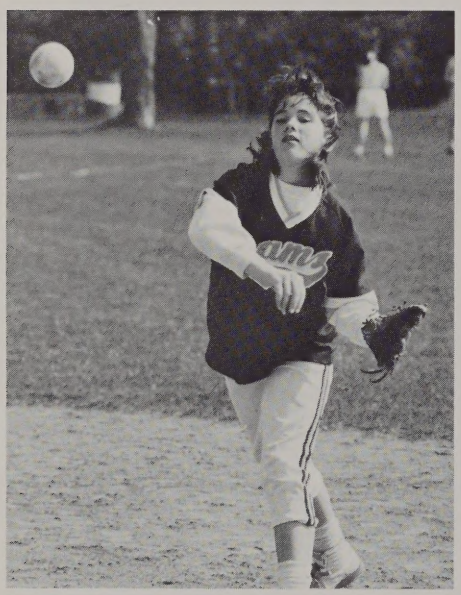


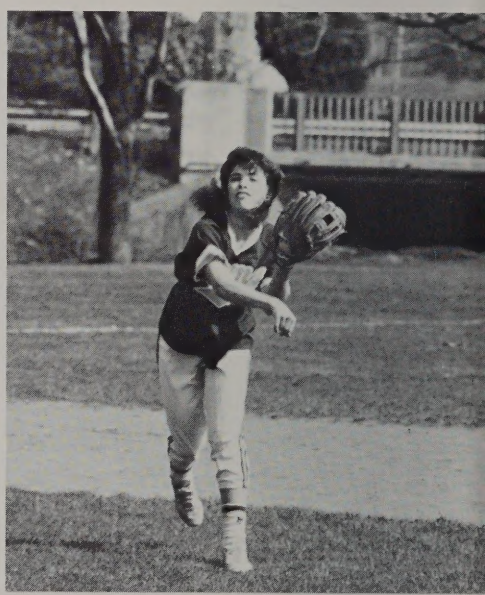


The boys baseball team, playing under severe weather conditions throughout the season where they had to play a stretch of 10 games in 12 days, finished the season by qualifying for the districts with a 12-8 record.

In the districts, Shepherd Hill upset a favored N. Middlesex team in 12 innings (9-7) and a favored Worcester Voke. before losing 10-0 to a very strong Algonquin Regional High baseball team in the finals at Filtron Field.

JV Softball

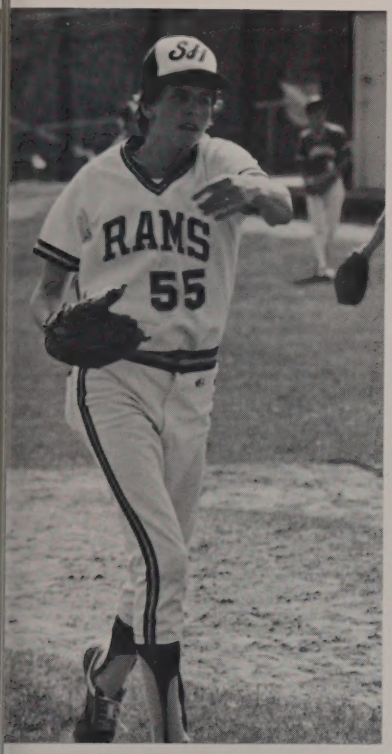


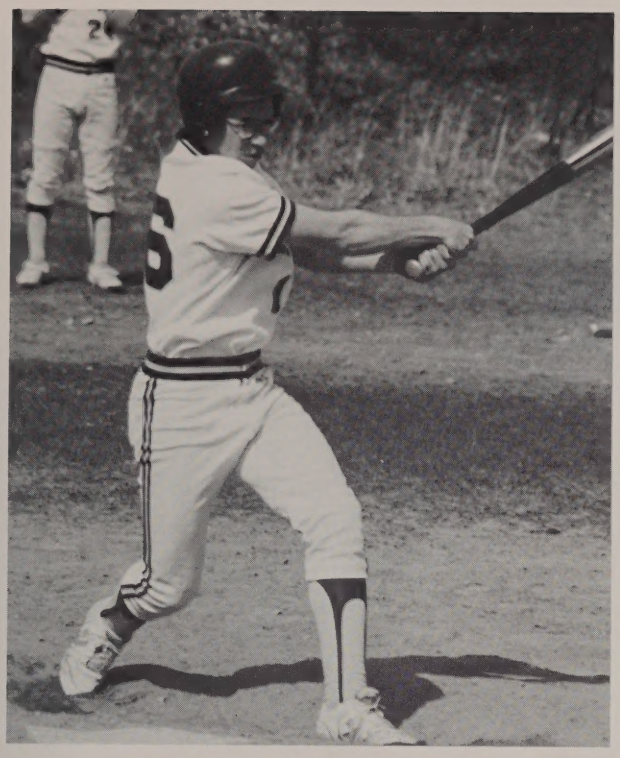


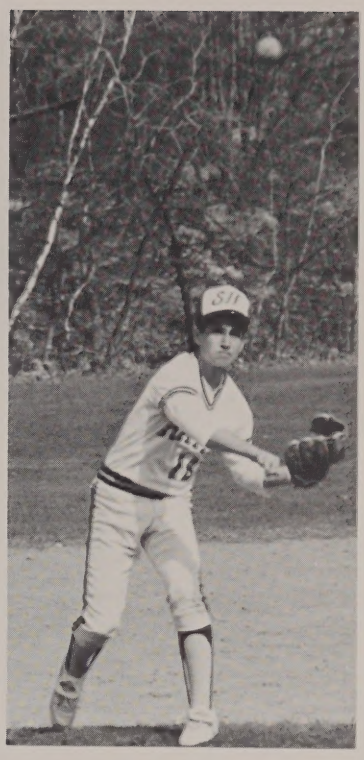
At the junior varsity level of competition, teaching the game to be played properly so that the girls will be prepared for the varsity level, is the primary goal.

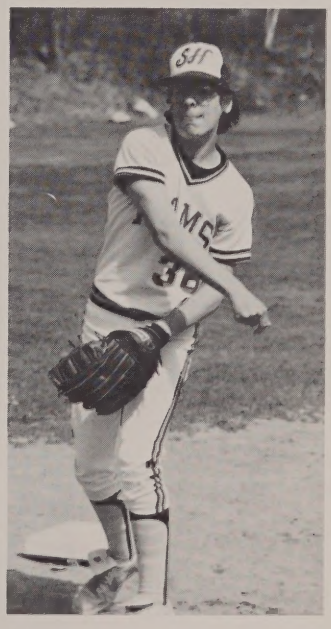
Although winning is secondary, this young and inexperienced team concluded the season with a record of 14 wins and 2 losses. If the girls continue to improve as they grow older, they could be a most successful team in the future.

JV Baseball









The 1988 baseball season was a very enjoyable one. The team began the season with 11 straight victories and finished with a 14-2 record. They defeated some excellent teams in the process, most notably Auburn. The story of this team goes even further than the record. This was a team which took responsibility for itself. They worked hard all season, played well, and won in all types of weather conditions and distracting circumstances. Everyone on the team played an important role. They played as one and expected that each individual would play as hard as possible for the team. In all areas, this team has earned great respect.

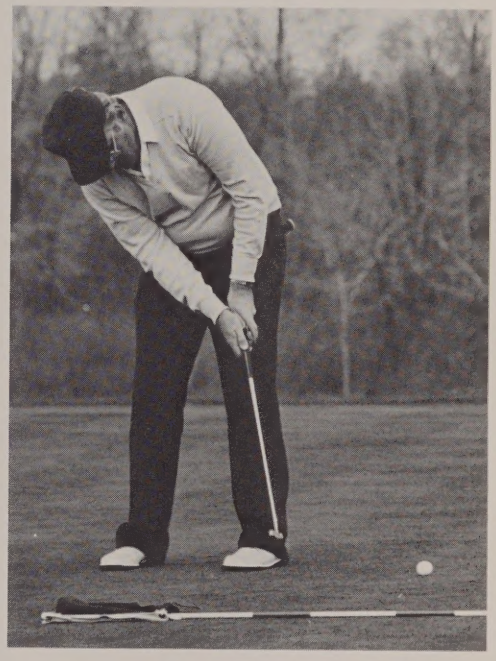
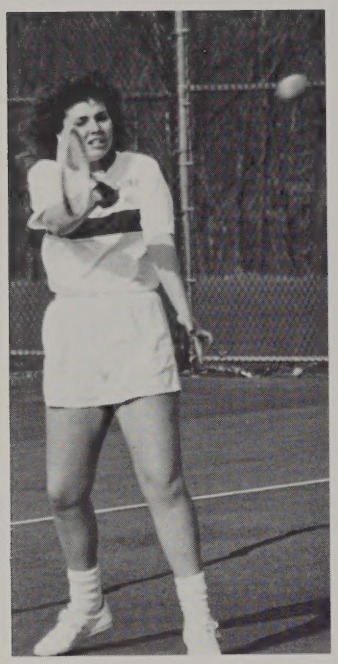
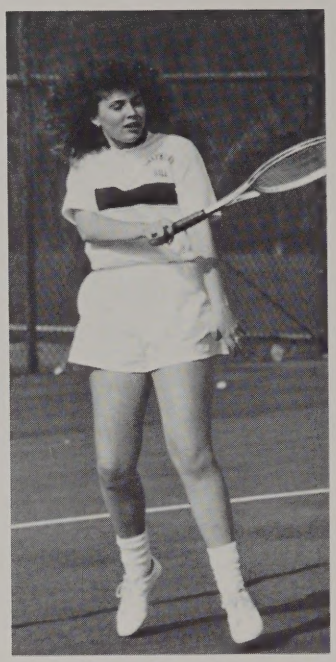
Golf

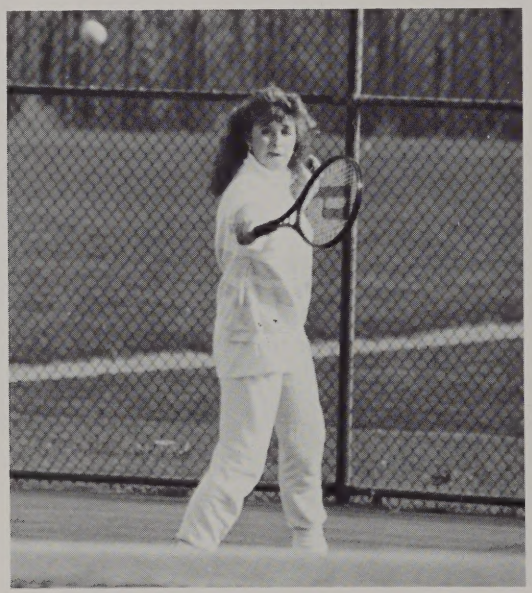


The young Ram golf team, led by All-Stars Brian Ravenelle and Kerry Kubiak, completed a very successful season of 10 wins, 3 losses, 1 tie, and a berth in District Competition. With all team members returning next season, The Rams are eagerly awaiting to improve their second place finish in the Border Conference, and with the ultimate goal of reaching the state finals of high school golf. A feat that has been achieved only once in this school's history. Good luck to the Rams in 1989.

Girls Tennis

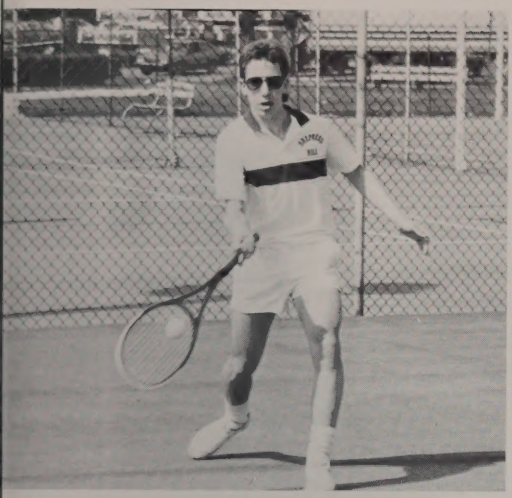


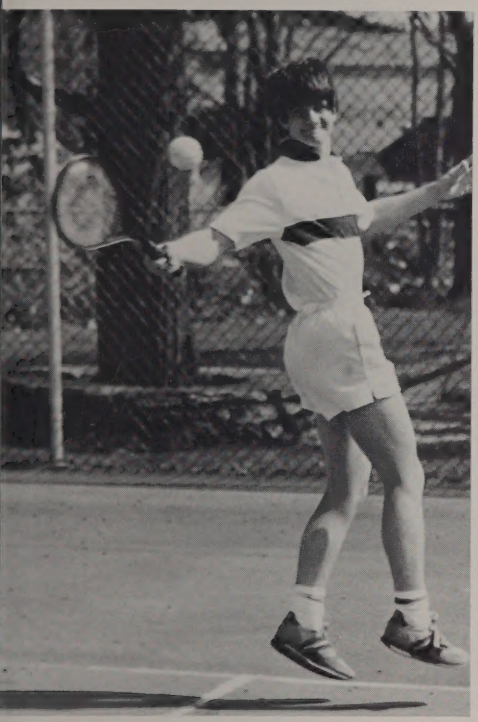


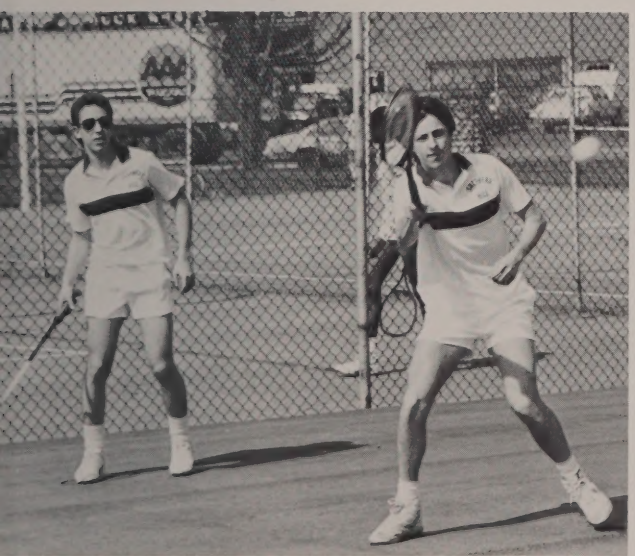


The girls tennis team had a very successful season ending with an 11-4 record. They were led by tri-captains: Nina Antos, Karen Kouri, and Beth Mailing. Outstanding sophomore Kasia Zurowski went undefeated for the entire season. Strongly supporting these players were: Terry Cyganiewicz, Kim Lucas, April Guillet, Emily Gauthier, and Amy Schremser.

Boys Tennis







For the second year in a row the boys dominated the Border Conference winning another title by posting a 7-1 record. Border Conference All-Stars as selected by the coaches were Captain Chip Powers, senior, Mike Whitney and Chris Knowles- the team's number one player.

For the first time in the history of the Hill, the boys won a district match over Uxbridge, 7-1. The boys moved on to the District E quarterfinal round losing to Bromfield Academy. The Rams ended an excellent season with a 12-4 overall record.

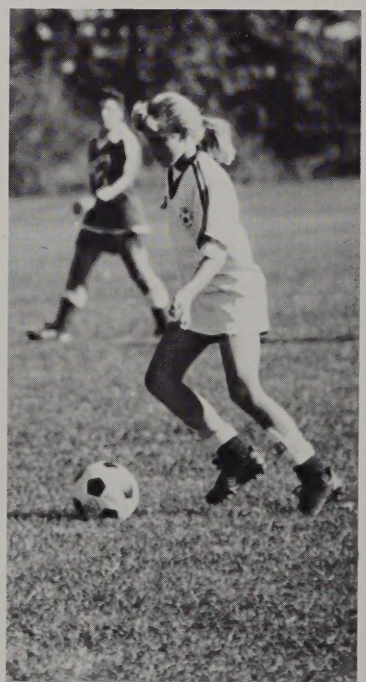
Girls Track & Field

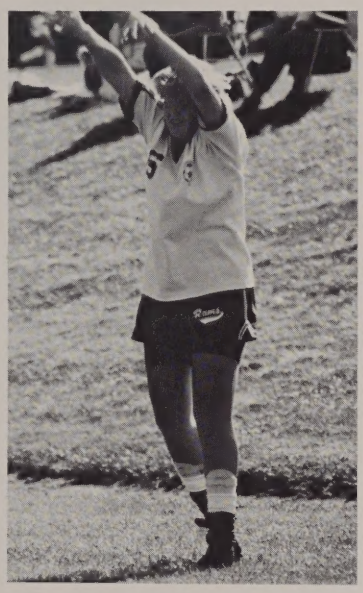
Boys Track and Field

For the second year in a row, the Shepherd Hill Boys Track team finished second in the Border Conference. Wins against Tantasqua and Bartlett added to their 4-5 overall record.

Border Conference All-Stars were: Richard Carmignani, Paul Latour, Earl Gelineau, and Lou Sroczenski. Lou was also voted team MVP.

Varsity Soccer



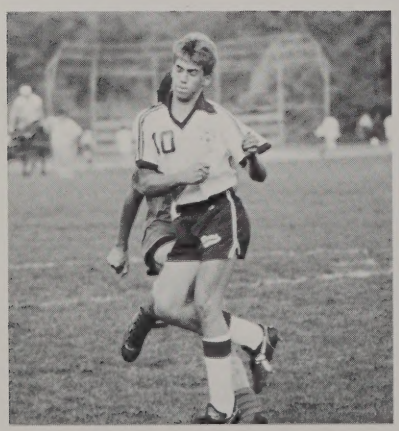


GIRLS VARSITY SOCCER

The Girls Varsity Soccer Team enjoyed their finest season in their 4 year history. Their final regular season record was 10-3-5. The team was Border Conference Co-Champion. They also qualified for district play for the 1st time. They defeated Auburn 3-1 in a quarterfinal game. and were defeated by Marlboro 3-1 in a semi-final game. Their over-all record for the year was 11-4-5.

Four players were selected as Border Conference. All-Stars. They were: Joy Cleveland, Melanie Jankowski, Elaine Mongeon and Kelly Cyr. In addition, the team was awarded The 1st Annual Border Conference Sportsmanship Award. In an act of unselfishness the girls voted to award the M.V.P. Trophy to the 1988 team.

Boys Var. Soccer



The Boys' Varsity Soccer team this year posted an 8- 8- 2 record overall with a conference record of 6 - 4 - 2. Team Captains this year were Mike Raymond and Mike Polenski. The team scored Forty goals this year against their opponents while having 33 goals scored against them. Four Shutouts were recorded for the Rams. Goalies for the team were Jeff Hammer and Robert Shilale. Border Conference All Stars for the season were Mike Polenski and Dave Lawrence who also received Central Mass. All Star Awards. Dave Lawrence was selected for All State and All New England Honors. Dave scored 19 goals and got 12 assists for the season while Mike Polenski scored 4 and got 8 assists. The team will be losing seven valuable seniors this year but some very talented underclassmen will be ready to fill the vacancies. Dave Ide who played in the sweeper fullback position will be greatly missed. Mike Raymond and Ted DeSantis rounded out the fullback positions.

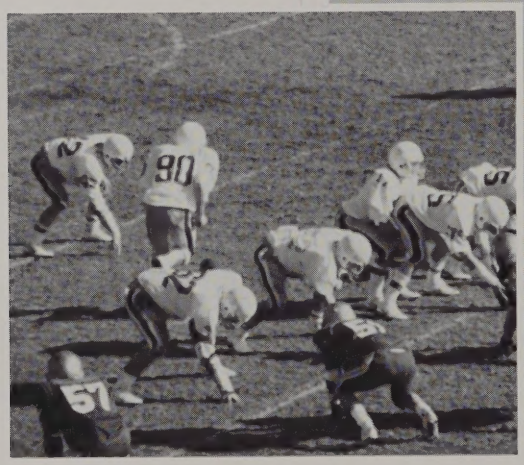
J.V. soccer finished the season with two wins, eleven loses, and three ties. They were a young competitive squad with only six starters from grade nine or older. The team finished strong by going 2-2-2 in the last six. Strong play was received from Mike Savage, Pete Lawendowski, Ken Tarro, and Jason Raymond.

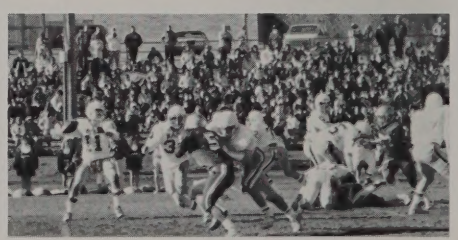
Varsity Football

The 1988 Varsity Football team had a difficult task before them from the beginning of the season. Some key positions at the varsity level were filled with players who hadn't seen much action at the varsity level. Injuries also took a toll during the season. Adversity sometimes brings about tremendous efforts on the gridiron which was the case this year.

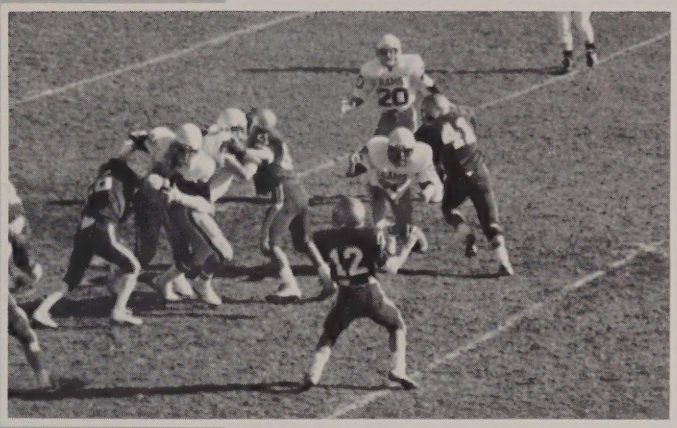


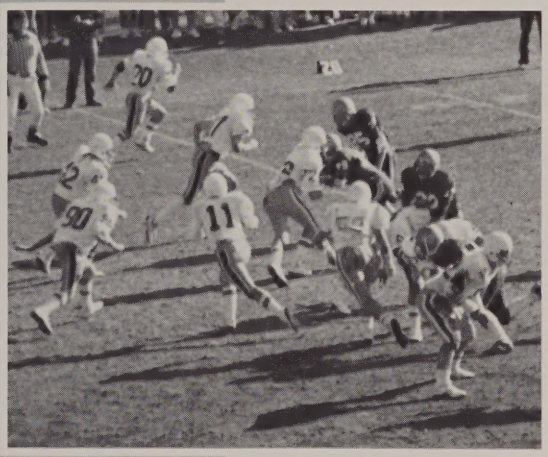
Coach Hickman's squad produced some very exciting moments during the 2 and 8 season. In the Border Conference a record of 1 and 3 was made. The most exciting game of the season had to be the 10 to 8 victory over East Boston High School, which included a new school record for field goals set by Mike Polenski of 43 yards. To be able to defeat East Boston, which competes in a more difficult league, is a major task for any team. The Defense of the Rams played excellent game to limit this team to only eight points.

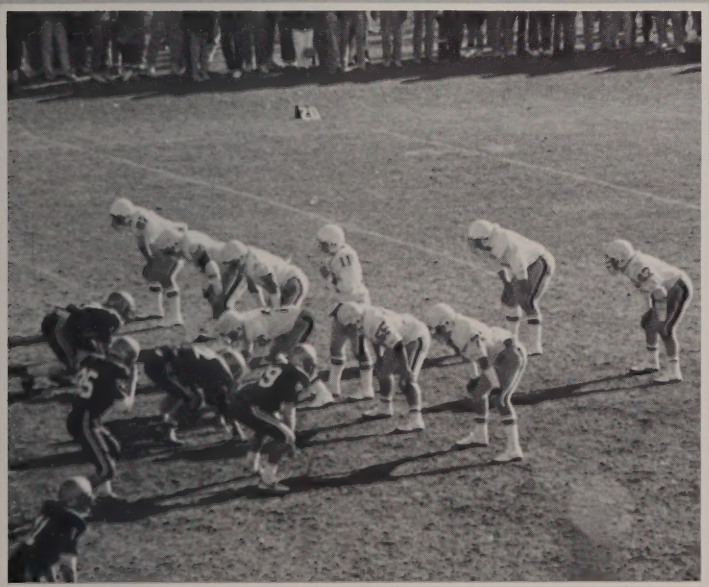
Co-captains Brian Ravenelle and Ross Becker did an excellent job in leadership of the team this season. For the eight seniors on the squad there will be some great memories such as the close contest with Bartlett.



Junior Varsity Football

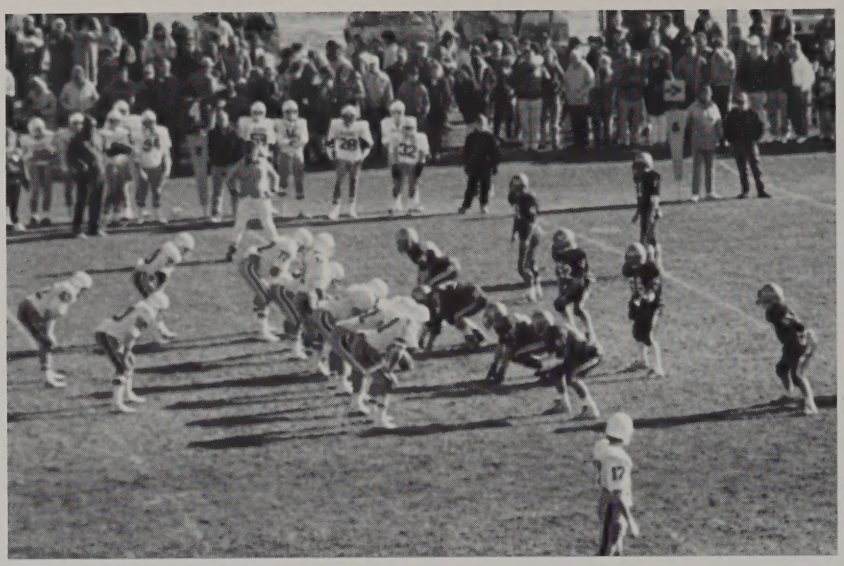


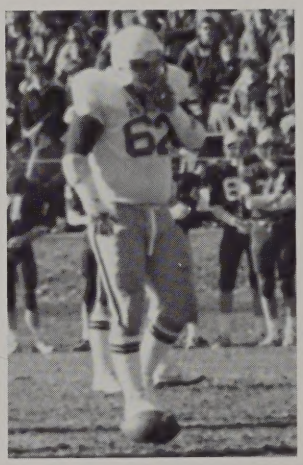


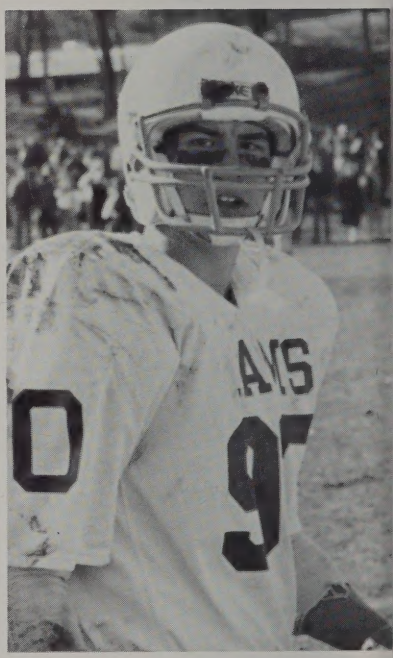


Junior Varsity Football: Coaches, Mr. Spahl and Mr. Brooks did a fine job teaching the fundamentals, fine points of the game, and sportsmanship. The young men in the J.V. program had a four game season this year winning two of their contests, tying one with only one loss.

THANKSGIVING DAY GAME







The 1988 traditional Thanksgiving Game played at Tantrasqua Regional High School carried high emotions on both sides of the field. For Shepherd Hill it would be the last challenge in a difficult growing season. For Tantrasqua the outcome of the game would have more meaning. Specifically, a border conference title and a slim possibility for a Super Bowl position.

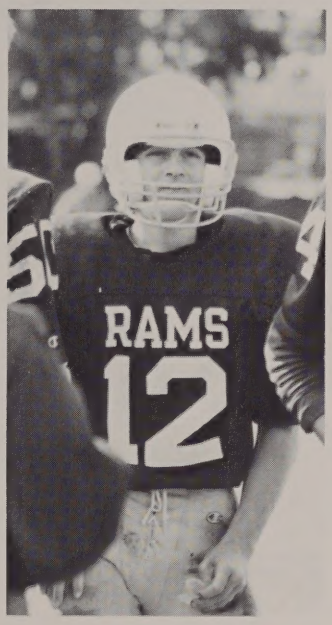
From the openingkickoff on this brisk, clear morning, Shepherd Hill was in a major defensive struggle. Our defense was challenged by Tantrasqua's strong running game and thier ability to move the ball through the air. In the first half of the game our defense held strong on three goal line srands. The score at the half was Tantrasqua 21 - Shepherd Hill 0.

Co-captain Ross Becker was shifted from tackle to the offensive guard position to close down penetration by Tantrasqua's rushing defense. This move enabled quarterback Brian Ravenelle to have more time in the pocket to execute plays. The strategy worked as three touchdowns were scored. The first touchdown was scored by Mike Cushing on a pass from Brian Revenelle. Brian Revenelle scampered into the end zone on a WOSP keeper for another touchdown.

The game ended with a score of Tantrasqua 42 - Shepherd Hill 18. Much credit goes to a hard working Shepherd Hill foorball team that did not give up or srop playing aggressively until the final gun. Many thanks to the coaching staff for thier hard work and dedication.

The Annual Alumni Awards this year went to Brian Ravenelle on offense and Ross Becker on defense.

Freshman Football



Freshman Football

The Freshman football team, coached by Mr. Spahl, is the foundation of the Shepherd Hill football program. At this level our seventh, eighth, and ninth grade gridders are introduced to the skills and techniques that will carry them into the junior varsity and varsity levels. Competition is held against other freshman squads. The emphasis for our freshmen is to learn fundamentals, sportsmanship, and the discipline needed to be effective on the football field.

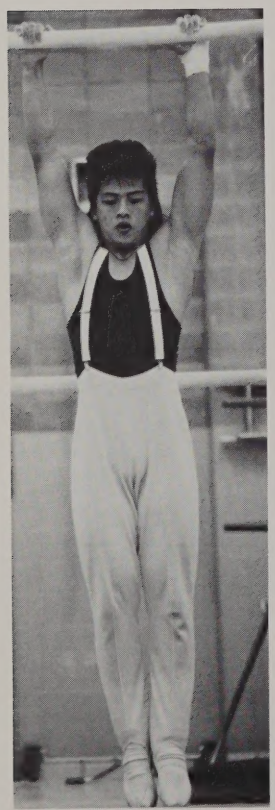
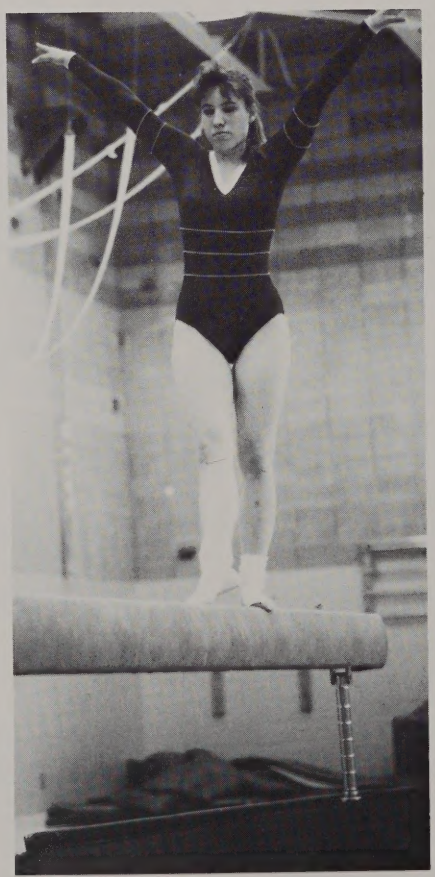
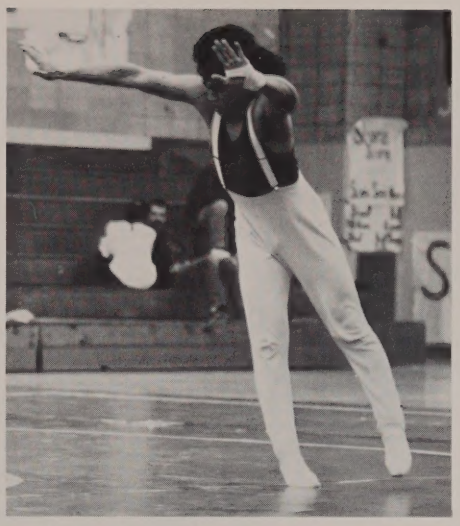
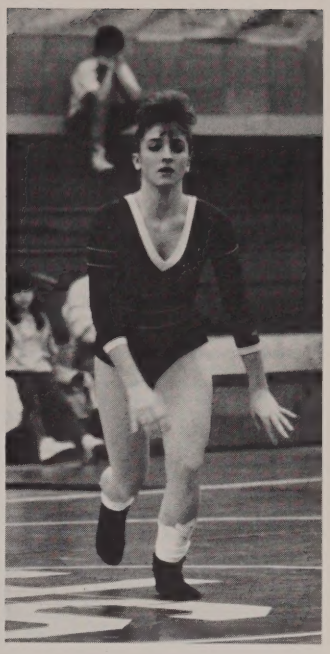
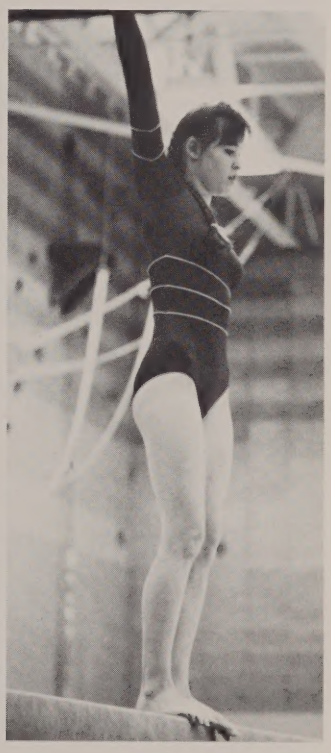
Gymnastics







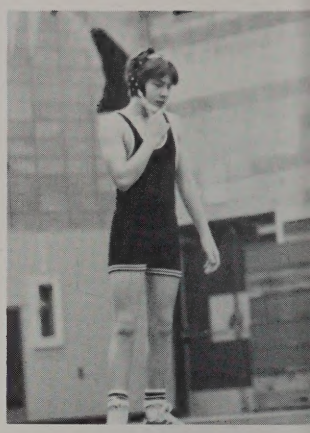


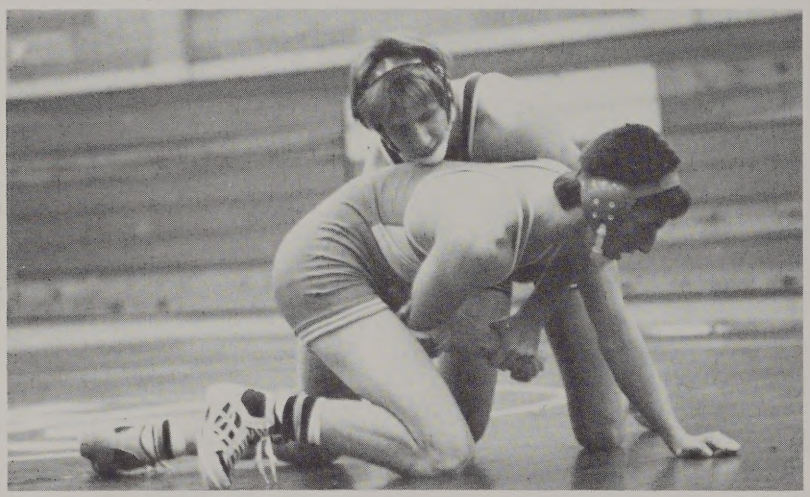


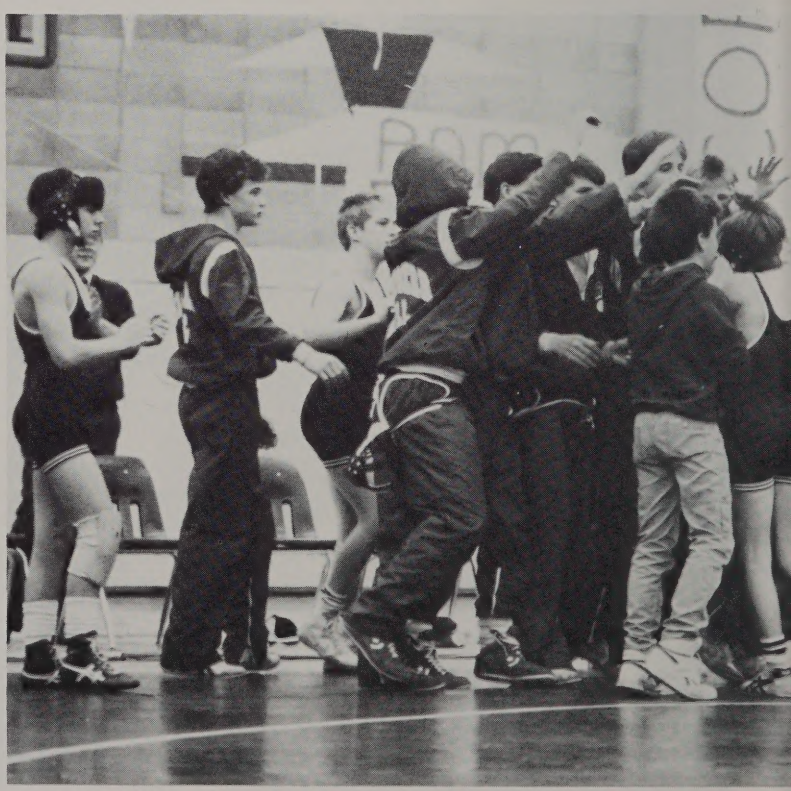
The 1989 Girls' Gymnastics Team experienced a year of development for many of the younger gymnasts on the squad. Joy Cleveland, the only senior, provided the young squad with quality leadership throughout the entire season. Her many years of training and dedication to gymnastics have been a tremendous asset to the program.

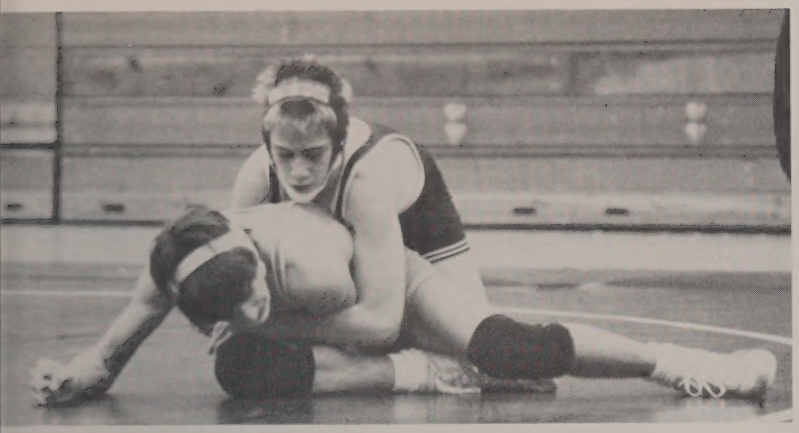
The team struggled with competitions, winning only one out of nine but in this circumstance a team will concentrate on individual goals and team goals. One of the goals for this season was to score 80 points in a competition. This goal was met at the end of the season with the team scoring 87 points. Coaching the young team was Miss DiDonato who was assisted by Kerrie Ravenelle.

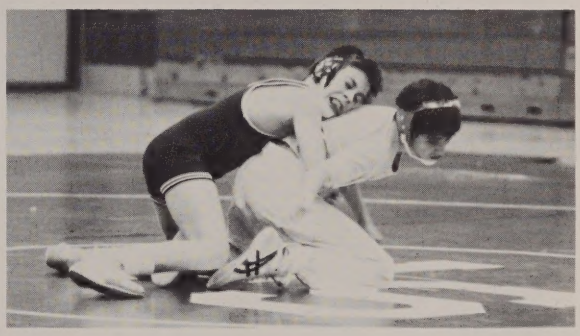
Wrestling

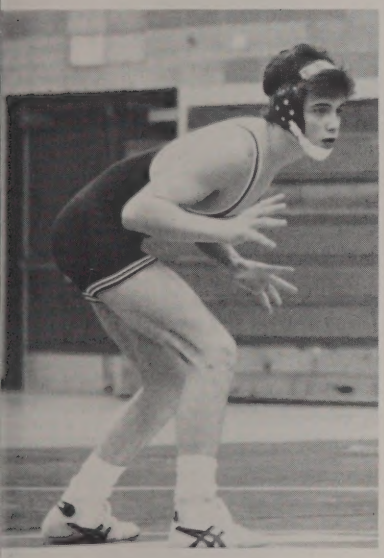


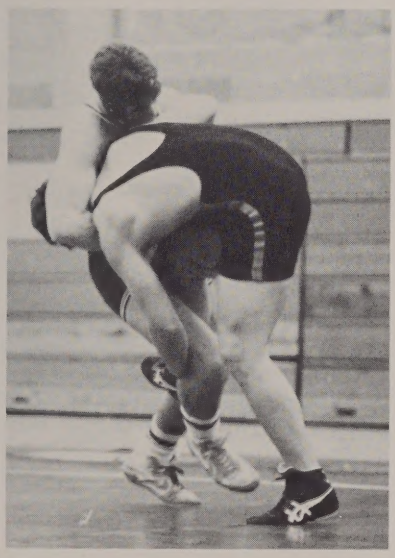


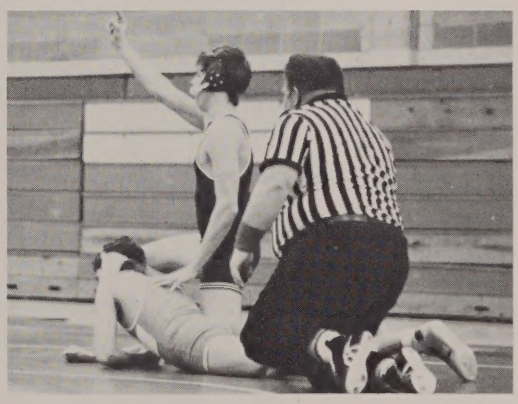


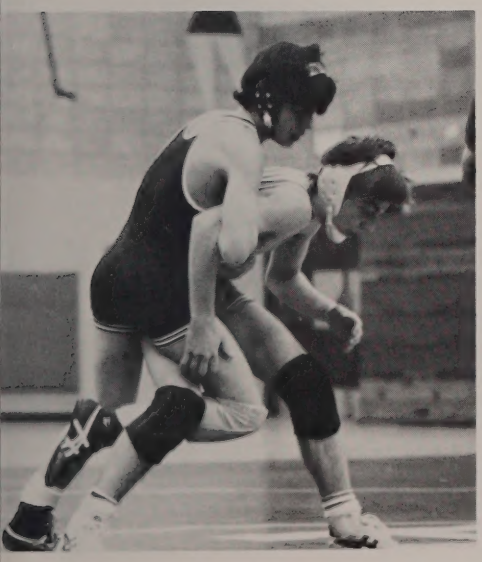












The Wrestling team, in it's second year of existence, was able to produce their first ever winning season. Your first impression while watching this team at practice is the intensity with which these young men train. Coach Boyd works very diligently on the fine points of wrestling while the attentive athletes wait their turn in the circle.

This year, the boys entered the sectional trials (similar to Districts) and managed to stay in through the third round. Jim White, individually, made it to the semi-finals. The team will miss the services of four seniors for next year but with the large number of returning underclassmen, they are excited about the potential for some very productive years to come. Some team members will be participating in summer wrestling camp which should have a great impact on the growth of this young team.

The Future of the wrestling program seems very bright to say the least and the student body will look forward to many exciting contests which are yet to come.

Girls Varsity Basketball

Back row: N. Gemme, B. Nichols, D. Pepka, M. Carines, L. Piniarski, S. Hultgren, Coach Hackenson; Front row: L. Kelly, S. Nichols, C. Gemme, K. Cyr.

The 1989 Girls'' Varsity Basketball team enjoyed a very exciting and challenging season. The girls along with Coach Hackenson were able to experience the thrill of seeing all the practice time and effort come to fruition. In the early season the team jumped out to a 4 and 2 record demonstrating early the ability to get out in front of the opponent. Co-Captains Sandy Nichols and Cindy Gemme are quick to credit the teams successes to working together as a team. Team seniors, Dawn Pepkea, Sandy Nichols, And Cindy Gemme (who have played basketball together since grade six) will be greatly missed on the return of this team next winter. The underclass members of the team will be bringing much experience and talent into the next season.

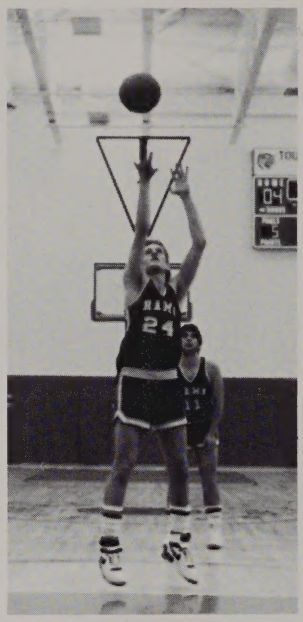
The girls finished the regular season with an excellent 13 and 7 record overall and an impressive 9 and 3 record in the Border Conference. Finishing the regular season the girls then entered the District Quarter - Finals and upset a heavily favored Fitchburg H.S. by a score of 51 to 46. The season ended in the semi-finals with a loss to St. Peter-Marion H.S. This tremendous season will stand out as one of the most memorable for Girls' Varsity Basketball.

1000 Points
Congratulations Sandy!

Sandy Nichols (left) 1000 pr. scorer pictured with her Co-Captain Cindy Gemme. Sandy's career toral topples 1100 prs

Along with the successes of the Girls' Varsity Team it is important to note the inidividual milestones that an athlete has achieved. Sandy Nichols had one of those milestones during her senior year. In a March 6, 1989 competition with Bartlett H.S. she registrered her One-Thousanth point wearing a Rams' uniform. Following the game, she was presented with the game ball by the Bartlett Coach and Athletic Director. Congratulations to a fine athlete for a tremendous career.

Boys' Varsity Basketball



The Varsity Boys' Basketball team posted a very commendable 14 and 7 record this year while coming in second place in the Border Conference with a 9 and 3 record. Coach Geanis was impressed to see this team perform so well in the conference this year and in the tournaments. The team went into the Clark Tournament and played a favored Millbury team. Down by 10 points with only one minute and thirty-one seconds left in regulation the "never say die" Rams team rallied to win the contest by a score of 60 to 59. The total team effort of this team was credited by Coach Don Cushing (Bartlett) Who stated, "Against Shepherd Hill, There is no such thing as a comfortable lead. The Rams team progressed to the semi-Finals in District play. Dave Nelson and Brian Ravenelle were awarded All Star status in the Border Conference. Seniors Brian Ravenelle, Gary Miles, Scott Ducharme, Matt Dunn, and Mike Raymond will be greatly missed.

The 1989 Girls' J.V. basketball team was able to post one of the best records in the history of the school. Under the watchful eye of Coach Kalisewski the girls tallied a record of 14 wins against 4 losses. (second best record in the school's history.) Conference record- 11 wins, 1 loss.

The team strengths this year were team speed, aggressive defense, and unselfishness. It should be noted that there were five eighth graders on this squad which makes next year look very promising. The leading scorer this year was eighth grader Tara Nawrocki.

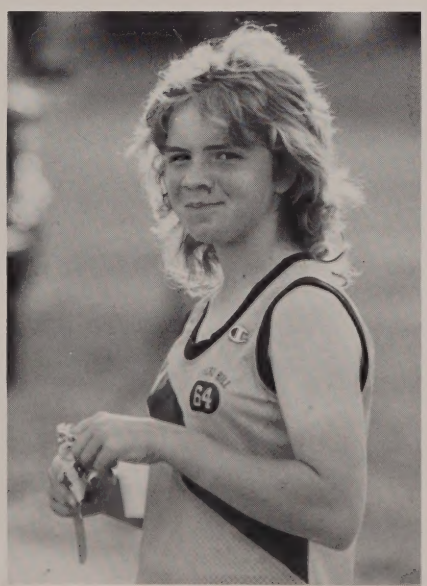
Girls Cross Country

The girls cross country team swept to their second consecutive Border Conference title with a perfect 6-0 record. The Rams have not been beaten by a conference opponent in over 2 years. The Rams also won the league meet on the strength of Melissa Sepos's 1st place finish. Melissa had established herself as the dominant runner in the conference. Winning Border Conference All-stars this season were: Melissa Sepos, Kris McGarry, Lori Antos and Cindy Gemme. Letter winners were Sandy Nichols, Missy Millette, Tina Mezzoni, Jenna Lemerise, Nikki Gemme, Debby Para, Sandi Lachapelle, Mandy Mezzoni, and Shannon Beland. MVP this year was Melissa Sepos.



Boys Cross Country

The boys cross country team, despite going through a rebuilding year, still managed to win six meets this year. Team captain Dave Nelson established himself as the top runner on the team, and was selected as Border Conference All-star, and team MVP. Letter winners were: Dan Wisniewski, Tim Nelson, Dave Hanlan, Matt Dean, Jim Smith, Matt Howard, Jamie Baziner, Steve Comtois, Roland Peepas, and Brian Mozinski. Things look very bright for next season as the Rams lose only one senior.

How to write a good classified ad

1. Start your ad with the merchandise you are selling — starting with the merchandise makes it easier for the reader to locate your item(s) for sale.

2. Always include the price of the item you are selling — 52% of classified readers do not respond to ads that do not include a price.

3. Keep abbreviations to a minimum — make it easy for readers to understand.

4. Place yourself in the reader's position — ask what you would like to know about the merchandise for sale — include information such as brand names, colors and other specific descriptions.

School Flag Contest

Flag Contest

The Booster Club's sponsored project for the new school flag originated last spring; when during a discussion on getting a flagpole to display the American Flag on the football field, the question came up; Why not two flags? One of the members had remembered seeing a Holy Cross School Flag on display during one of their football games. Why not display the school flag along with the American flag during musical or athletic events.?

The idea was instantly taken up, but there was one hitch. Shepherd Hill did not have a school flag. The solution was quickly found, to have a contest where students could design a school flag and at the same time enhance school spirit.

The judging committee was made out of three Booster Club parents (Mrs. Marsha Wagner, Mrs. Terry Urbanowski and Mrs. Linda Bazinett), Mr. Thibaudeau, School committee member, Mrs. Pauline Aucoin, student Mark Ruggeri, and a teacher.

Editor's note: Winners of the contest were Nikki Gemme, Joy La Pointe, Brian Powers, and Scott Roy. They shared the $100.00 prize money.
